

The Inn has been currently closed as we have always done each winter season to conduct cleaning and overall maintenance in all areas. The Inn will continue to stay closed as we continue to monitor the evolving status of Covid-19. Please know that we are available for inhouse tours and planning meetings for upcoming weddings and events both on a one on one basis or remotely as we do have a [virtual tour](#) of the Inn located on our website.

The well being of our guests, team and community are of utmost importance to us and therefore we are closely monitoring the status of Covid-19 (coronavirus) as well additional steps and precautions have been taken to further ensure the health and safety of our guests and Hessenland Team. Cleanliness and safe food handling practices have always been a strong pillar of our business in addition to customer service however in the interest of what is currently being presented by the World Health Organization, Ontario Ministry of Health and the Huron Perth Public health we are taking further action by:

- Extending our closure.
- Increased sanitation protocol of all our public spaces, bathrooms, guestrooms and kitchen.
- We have postponed and cancelled highly attended inhouse events upcoming in April and May and continue to monitor going forward.
- Adjusting as required our cancellation policies.

In addition, we ask our guests and team if you have recently traveled out of country OR display the symptoms listed below OR have been exposed to an individual who has contracted COVID-19 or displays the symptoms listed below, please do not visit the Inn.

COVID-19 symptoms are:

- Fever
- Cough

- Sore throat
- Runny nose
- Headache
- Shortness of breath or a general feeling of being unwell

As this is an evolving situation, we will continue to monitor the World Health Organization (WHO), the Ontario Ministry of Health, and the Huron Perth Public Health websites on a daily basis and we will adjust our protocols accordingly.

Please do not hesitate to contact us should you have any questions and/or require any additional information at this time.

Thank you, we are eternally grateful for all the support you continue to give us not only during this moment of uncertainty but throughout the years,

Liz, Frank, Christa and Hessenland team
